Disability Services

Reformed Episcopal Seminary does not discriminate on the basis of disability.

The seminary is a close-knit community with a low student to faculty ratio. While the seminary does not have a Disability Services department, the seminary is committed to providing access to facilities and reasonable accommodation in the instructional process, in compliance with section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Students with disabilities are given appropriate referrals, and special accommodations are made on a case by case basis.
